August 22, 2014

Dear Olivet Families,

A warm welcome back to school! It is my sincere pleasure and honor to become a member of this great school community. I am truly looking forward to being a part of the Olivet Elementary Charter School family to provide the best possible educational program for our students.

I wanted to take this time as your new principal to tell you a little about myself. I began my career in education 12 years ago, teaching at both the elementary and middle school levels, in the Petaluma City School District. I am elated to bring my skills as an educational leader to Olivet Elentary Charter School and to work with you as a partner in education to ensure your child's success.

Outside of school, I love to spend time with my daughter, Camille. She is in second grade. I enjoy sports and am a huge fan of the SF Giants, Raiders and Warriors. I am looking forward to the start of the NFL season. I enjoy reading books of any kind, as well as running and playing basketball.

Each day will be a learning experience for me this year as I become familiar with new names, a new school and a new community. In some ways I feel like one of our kindergartners coming to school for the first time. I'm very excited, and can't wait to meet everyone!

During the course of the year, it is my hope that we will work together to provide our students the best possible opportunities in preparing them to be world-class citizens ready to master the challenges of the 21st Century with a solid foundation created here at our school. As principal, my door is always open and I welcome your input. Please feel free to stop in or call to make an appointment to discuss any concerns, suggestions, or ideas to help make this the best year yet!

Sincerely,

Mary Reynolds
